## October 2025 Newsletter

Hi Everyone,

Hope you had a great summer. Before you know it, winter is right around the corner. Now it's time to start planning for the upcoming season and if the weather cooperates, we will be sledding before the end of the year. With the beautiful weather we are having it's a great time to start looking at our sleds and prepping them for the season.

With the start of the new season coming up I would like to wish everyone safe riding. Reminder, there is a new Long Island Sno Seekers Facebook Page. Unfortunately, we lost access to the old page and had to create a brand-new page. If everyone would like to keep updated, please go follow the new page under the same name, Long Island Sno Seekers. If you are having difficulty locating the new Long Island Sno Seekers page click on link <https://m.facebook.com/groups/845051970500234/?ref=share&mibextid=S66gvF> . Throughout the course of the season, we will be posting trips, events, gathering, and club activity, so check out our Long Island Sno Seeker's Facebook page.

All members that need a 2025/2026 membership can do on the Long Island Sno Seekers website <http://www.lisnoseekers.org/join> , or mail a \$30.00 check made out to the Long Island Sno Seekers to 32 Rumford Road Kings Park, NY 11754 with a self addressed envelope including a stamp.

A group of members will be heading up to Old Forge, NY again for the Christmas week through New Year's Day, Martin Luther King's Weekend, January 17th-19th, and Presidents Week February 14<sup>th</sup>. The motel you can stay at is the Adirondack Lodge Old Forge and their phone number is (315) 369-6836. They also have an indoor pool. Old Forge trail passes can be purchased by the week or season at the Town of Web Visitor Information Center 3140 State Road 28 Old Forge NY 13420, 1-877-OLDFORGE. Just a short ride north of the motels on the right-hand side of route 28 right after Slicker's restaurant. You can go on their website at <http://oldfor geny.com/snow/>. NOTE: "Only seasonal passes can be ordered online". There are several places to eat in town close to the motels. There is also skiing nearby as well.

I would like to urge everyone to follow what's going on by visiting the NYSSA web site at <https://nysnowmobiler.com/> often, they have a lot of good information on the latest laws & rules governing our sport in NY. They work hard to keep the thousands of miles of trails open.

If anyone is planning on any trips or going somewhere for Christmas week, Martin Luther King's weekend, President's week and or any other time, please notify me via email and I can post your trip on our club website and send out notifications on our group email distribution for all other members to see who might be interested in going.
